🌟 Celebration Assembly Newsletter 🌟

⭐ Stars of the Week⭐

A huge well done to all of our Stars of the Week! 🌟

Each week, we celebrate children who have demonstrated something particularly special. Our Stars may have been recognised for their hard work, kindness, resilience, excellent behaviour, positive attitude or fantastic progress in their learning.

It is wonderful to see our children demonstrating our school values and showing pride in themselves and their achievements. We are incredibly proud of every child who has been chosen this week.

A massive congratulations to all of our Stars of the Week — you are all shining examples to your friends. Keep up the fantastic work! 🌟

🤖 Numbots Homework

Well done to everyone who has been working hard on their Numbots homework!

Regular practice on Numbots is a fantastic way for children to develop their confidence and fluency with number facts. Just a few minutes of regular practice can make a real difference and helps children to become quicker and more confident mathematicians.

We would like to say a special well done to those children who have been logging on regularly, challenging themselves and making great progress.

Please continue to encourage your child to practice at home. Remember, little and often is the key! 🔢⭐

🏆 Weekly Attendance – Class Winners🏆

We are delighted to celebrate our weekly attendance class winners! 🎉

Excellent attendance gives children the very best opportunity to enjoy their learning, take part in all the exciting activities at school and build strong friendships with their classmates.

A huge well done to our joint winning classes this week:

🏆 Years 1/2 and Year 3: 🎉🎉🎉🎉🎉🎉

Thank you to all of our families for supporting excellent attendance and helping your children to arrive at school ready to learn.

Let's see if our classes can keep those attendance figures high next week! 🌟

💃 Hazel Douglas – 4th Place in Dance Competition

A very special congratulations to Hazel Douglas, who recently competed in a dance competition and achieved an amazing 4th place! 💃🏆

What a fantastic achievement! Taking part in a competition requires commitment, confidence, determination and lots of hard work. Hazel should be incredibly proud of herself for performing so brilliantly and representing all of the effort she has put into her dancing.

We are very proud of you, Hazel. Well done on your fantastic result! 🌟👏

📸 School Photographer Visit

We were delighted to welcome our school photographer, Mr Frayne, into school today.

I was incredibly impressed by how smart and well-presented all of the children looked for their photographs. They certainly made us proud!

Mr Frayne was also absolutely fantastic with the children. He worked so patiently and positively with them and managed to encourage most children to have their photographs taken. Of course, we would never force a child to have their photograph taken if they did not feel comfortable, and it was lovely to see the children being supported to make their own choices.

A huge thank you to Mr Frayne for making the experience such a positive one for the children.

We can't wait to see the proofs! 🌟

🧸 Hadston Hub – Stay & Play

We are pleased to let families know that, for the next few weeks, Hadston Hub will be based in our school hall every Monday from 10:00am until 11:30am for their Stay & Play sessions.

These sessions are a lovely opportunity for families with pre-school age children to come along, meet other families and enjoy some playtime together in a friendly and welcoming environment.

If you have a pre-school aged child, please do come along and join in. It would be wonderful to see lots of our families there!

📅 Every Monday

⏰ 10:00am – 11:30am

📍 School Hall

We look forward to welcoming you! 🧸💛

👩‍🚒🚒🎆Fire Safety 👩‍🚒🚒🎆

With Bonfire Night approaching, Northumberland Fire and Rescue Service is encouraging parents and carers to talk to their children about the dangers of deliberate fire setting. Deliberate fires can put people, property, and the environment at risk, while placing additional pressure on emergency services.

Please take a moment to read the attached Deliberate Fire Setting Leaflet, which highlights the risks and consequences of fire setting and provides details of support services available.

We also encourage families to celebrate Bonfire Night safely by attending organised displays where possible and ensuring any fireworks used at home are handled responsibly and under adult supervision.

Thank you for helping us keep our communities safe this Bonfire Night.

🤒 Is My Child Well Enough for School? 🤒

We aim for every child to achieve 100% attendance. Where attendance falls below 97%, our attendance procedures will begin, which may include support from the Education Welfare Officer. Parents and carers may find the following NHS guidance helpful when deciding whether their child is well enough to attend school:

NHS – Is my child too ill for school?

If your child is feeling slightly unwell but is otherwise able to participate in normal school activities, appropriate medication may help them attend school comfortably where suitable and used according to the manufacturer's instructions. However, parents should use their own judgement and follow NHS guidance when deciding whether their child is fit to attend.

If your child becomes unwell during the school day, we will contact you immediately.

💸 Easy Fundraising – Friends of Red Row Primary School 💸

Every little bit helps — thank you for your support!

👔UNIFORM 👔

Please also make sure that every single item of your child's uniform has their name inside it. Staff are not responsible for lost uniform, particularly where items are not clearly named.

🆓 Pupil Premium / Free School Meals 🆓

It is quick and easy to check whether your child is eligible for Free School Meals.

This is different from Universal Free School Meals, which are available to all children in Reception, Year 1 and Year 2.

If your child is eligible, you may receive support such as subsidised educational visits and free milk. The school will also receive additional funding to help provide resources and support for your child.

To check whether you qualify, please call 0345 600 6400. They can check your eligibility using your National Insurance number.

Please consider applying — it could benefit both your child and the school. Thank you!

📲 **Emergency Contacts & Up-to-Date Information**

For safeguarding reasons, we need two emergency contact numbers for every child in school.

We also need up-to-date email addresses and home addresses for all parents and carers.

If any of your contact details have changed recently, please let the school office know as soon as possible.

💜 Thank you for your continued support. 💜
