⭐ Weekly Celebration Assembly

Welcome to our Weekly Celebration Assembly!

It has been another busy week of learning, hard work and wonderful achievements across our school. It is time to celebrate the children who have been trying their best, showing kindness and making us proud.

⭐ Star Awards

These awards celebrate children who have shown fantastic effort, made great progress, demonstrated kindness or consistently followed our school values. We are so proud of all our star pupils and the positive contributions they make to our school community.

🔢 NumBots

NumBots helps us to develop our number skills, improve our mental maths and become more confident with numbers. Regular practice helps us to become quicker and more accurate when solving calculations.

Well done to everyone who has been logging in, practising regularly and challenging themselves to improve. Remember, every little bit of practice makes a difference, so keep up the fantastic work!

📚 Lexia

Lexia supports us in developing our reading skills, including phonics, vocabulary and comprehension. Reading is an important part of learning because it helps us understand the world around us and supports us in every subject.

A big well done to everyone who has been working hard, completing their activities and showing determination when tackling new challenges. Keep reading, keep practicing and keep believing in yourselves!

🏆 Class Attendance Award -Well done Year 5!!

Coming to school every day, and arriving on time, is really important. Every school day gives us opportunities to learn something new, practice our skills, spend time with our friends and take part in exciting activities.

When we attend school regularly, we are less likely to miss important lessons and can keep up with our learning. We also build positive routines, develop friendships and become confident members of our class.

Of course, if you are unwell, you need to rest and recover. But whenever you are well enough to attend, we want to see you in school, ready to learn!

Let's celebrate the class with the best attendance. Well done to everyone who has made a great effort to be in school this week. Let's see if we can all work together to improve our attendance even further!

🤒 Is My Child Well Enough for School? 🤒

We aim for every child to achieve 100% attendance. Where attendance falls below 97%, our attendance procedures will begin, which may include support from the Education Welfare Officer. Parents and carers may find the following NHS guidance helpful when deciding whether their child is well enough to attend school:

NHS – Is my child too ill for school?

If your child is feeling slightly unwell but is otherwise able to participate in normal school activities, appropriate medication may help them attend school comfortably where suitable and used according to the manufacturer's instructions. However, parents should use their own judgement and follow NHS guidance when deciding whether their child is fit to attend.

If your child becomes unwell during the school day, we will contact you immediately.

💸 Easy Fundraising – Friends of Red Row Primary School 💸

Every little bit helps — thank you for your support!

👔**UNIFORM** 👔

Please also make sure that every single item of your child's uniform has their name inside it. Staff are not responsible for lost uniform, particularly where items are not clearly named.

🆓 **Pupil Premium / Free School Meals** 🆓

It is quick and easy to check whether your child is eligible for Free School Meals.

This is different from Universal Free School Meals, which are available to all children in Reception, Year 1 and Year 2.

If your child is eligible, you may receive support such as subsidised educational visits and free milk. The school will also receive additional funding to help provide resources and support for your child.

To check whether you qualify, please call 0345 600 6400. They can check your eligibility using your National Insurance number.

Please consider applying — it could benefit both your child and the school. Thank you!

📲 **Emergency Contacts & Up-to-Date Information**

For safeguarding reasons, we need two emergency contact numbers for every child in school.

We also need up-to-date email addresses and home addresses for all parents and carers.

If any of your contact details have changed recently, please let the school office know as soon as possible.

💜 Thank you for your continued support. 💜
